MUSIC

Italics indicate pieces possible on Lever Harps

Publications for the Lever Harp encompass a wide range of level of difficulty, from the very easy to the advanced. In an effort to guide teachers and students in their choice of music. We have introduced the following grade levels for all Lever Harp Music.

LEVEL

- 1 *VERY EASY* For the Beginning Student with limited or no musical background. Simple exercises and melodies. Limited use of both hands.
- 2 *EASY* Hands together in simple patterns and placings. Principally chords of no more than three notes in either hand.
- 3 *MEDIUM* Independent use of left and right hands. More extensive connecting and replacing. Larger chords and wider spaces.
- 4 *ADVANCED* Technically and musically more challenging. In varying degrees, than the first 3 levels.
